Dear Friend:

Virtually every family in the United States has been touched by mental illness and addiction. On Saturday, April 30th Interfaith Social Services is hosting an event to support our loved ones who struggle with these issues, The **42nd Annual South Shore Walk & 5K Race** in Quincy, MA. Please consider sponsoring this important event. Help us to challenge stereotypes and eliminate the stigma of mental illness and addiction.

You can support this important fundraiser by making a monetary donation, contributing a gift certificate from your business or a product that can be used in the event's Raffle. The South Shore Walk & 5K Race have become an annual tradition for hundreds of families and individuals from all over the Greater Boston area. **All funds from this event support Interfaith Social Services' *New Directions Counseling Center*.**

Approximately 1 in 5 adults in the U.S. experiences mental illness each year. We need to work together and help these individuals, our neighbors in need. Interfaith's *New Directions Counseling Center* provides a safety-net ensuring that everyone is able to receive care regardless of their health insurance status or income. Here are some examples of the clients we helped this year:

- *An elderly gentleman who moved into an assisted living home and was having severe adjustment issues and depression*
- *A 30 year-old woman who ended an abusive relationship but was left with self-doubt and low self-esteem which had started to affect her work*
- *A 60 year-old woman with a recent diagnosis of stage 4 cancer who was having anxiety and panic attacks*
- *A 10 year-old child exhibiting anxiety, worrying about whether he would get into college, the health of his parents, the well-being of his baby sister and wars in the world*
- *A firefighter with PTSD*
- *A father who became dependent on prescription medication following surgery. After counseling, he resumed life free of substances.*

These people, and many others, are hungry for care and we need your assistance to help them. Your donation will allow us to continue serving the growing number of families who turn to Interfaith every year in need of counseling, emergency assistance and food. Thank you for your consideration.

Sincerely,

Rick Doane
