PROCEEDS BENEFIT INTERFAITH SOCIAL SERVICES' NEW DIRECTIONS COUNSELING CENTER

THE IMPACT OF YOUR SPONSORSHIP

SPONSORING THE 5K IS AN OPPORTUNITY TO SUPPORT OUR FRIENDS, NEIGHBORS AND FAMILY MEMBERS AFFECTED BY MENTAL ILLNESS AND ADDICTION

Your sponsorship will:

- Publicize your business to thousands in our community who support Interfaith's programs.
- Sustain Interfaith's New Directions Counseling Center — a mental health safety net for the community since 1947.
- Fund counseling sessions for local residents in need. We provide the first four counseling sessions free of charge to our new clients to help them overcome barriers to seeking care. A sliding fee scale is made available for clients who may be uninsured or underinsured. The success of our 5K event supports these sessions, and many others, for individuals who otherwise would not be able to afford treatment.
- Help Stop the Stigma associated with mental illness and addiction!

Here are some of the recent clients our New Directions therapists began helping to heal:

- An 82-year-old recently retired woman, living alone without relatives close by, sought assistance to deal with loneliness, depression and hopelessness.
- A 31-year-old learned she has a serious eye disease and will be completely blind within a short time. A therapist is helping her with the emotional fallout from this life-changing diagnosis.
- An 8-year-old was abandoned by a mother struggling with substance abuse. She was taken in by her aunt, and they sought help to process emotional trauma.
- An 18-year-old faced difficulty adjusting to college life. He sought assistance to develop the mental health skills needed to navigate life as an independent adult.
- A 61-year-old man lost his long-term job. Therapists are helping him cope with the shock, sadness and loss of identity.
